Illegal Street Racing

Recent media reports on illegal street racing have raised the concerns of the police and the public alike on such unlawful and dangerous activities.

Members are reminded not to take part or be associated with illegal street racing in any way.

Unauthorised Competitions

It has come to the SMSA's notice that certain companies and/or clubs not affiliated to SMSA have been circulating emails containing information, including supplementary regulations on events to be organised in Singapore and Malaysia. Please note that such events are deemed to be unauthorised competitions.

SMSA members and competition licence holders should note that participating in such unauthorised competitions are prohibited under Art. 59 of the FIA International Sporting Code.

As the ASN for Singapore, SMSA is advising its members and competition licence holders to refrain from participating in such unauthorised competitions.

Any SMSA member or competition license holder should note that non-compliance to this advice will be dealt with under Art. 58 of the FIA International Sporting Code which states that "In case of non-compliance with these provisions, any person or group which organises a competition or takes part therein, will have the licence which has been issued to them withdrawn".
